

## **Property Owners Receive Post Cards by Mail**

Property owners were mailed a postcard that explains how to get information on the estimated taxes. By going to the webpage below, taxpayers will be able to view proposed actions to be taken by each local taxing unit concerning the 2021 taxes as well as view meeting dates and times.

This is not a tax bill. The card is for informational purposes only.

Go to **[shelby.truthintaxation.com](https://shelby.truthintaxation.com)** to search for your property for more information.
